Memorandum from Mr. Brennan to Mr. Sullivan
RE: ABRAHAM LINCOLN MAROVITZ
UNITED STATES DISTRICT JUDGE
NORTHERN DISTRICT OF ILLINOIS
NARCOTICS MATTER

The Bureau investigated Marovitz for the position of Federal Judge in 1951 and in June, 1963. He was nominated for his present position by former President Kennedy in July, 1963. During the investigation, comments were received from persons interviewed that Marovitz would not "add any luster" to the Federal Court; that he did not have the type of moral character to be placed in a position to pass judgment on others; and that he would be prone to "play political favorites." During a trial of a pinball machine manufacturer in 1961, it was disclosed that Marovitz and others had received gifts from the defendant. Marovitz reportedly represented known gangsters in the 1930's, and in 1943 represented Willie Bioff, the notorious extortionist. He was an active member of the National Lawyers Guild (cited by House Committee on Un-American Activities) from 1939 to 1949 and was listed as a delegate to a 1939 conference sponsored by the International Labor Defense (cited by Executive Order 10450).

During the 1963 investigation, [redacted] of the Chicago Crime Commission stated he had "heard" from a source he declined to identify that Marovitz was "close to the boys," meaning those close to organized crime.

Attention: Secretary

Dear Mr. Gray:

We are not acquainted but I would like to extend to you a hearty welcome and congratulations upon your appointment as FBI Director.

I noted in the June 11th issue of Parade, the Sunday Newspaper Magazine, a comment concerning a talk you delivered at the Law Day banquet of the Orange County Bar Association in Santa Ana, California. If you have a copy of your text I would appreciate it.

*Send it
please.*

You pointed up an important danger in our community by those who "are becoming too much a part of the culture of disparagement which threatens to destroy all respect for established institutions."

I am sure I will find all of your talk enlightening and again, would appreciate a copy of it if one is available.

Dear Mr. Kelley:

I am just one of the multitude that you have met here in Chicago during one of your occasional visits. I have been privileged to know rather well many of the Special Agents in Charge of the Chicago office from the days of Melvin Purvis down to your friend, [redacted]

I know enough about your background to feel that our FBI is in excellent professional hands with you as its Director.

I read with disgust the recent criticism and innuendoes resulting from some insignificant incidents since you assumed the directorship. As a "long distance" admirer and one who cannot claim any warm personal friendship, but as an interested citizen and public official, I want to be counted among those who say to you - "carry on" in the same fashion you have conducted your public and private life these past many years.

With admiration and respect,

Yours very sincerely,
